CHICAGO DANCE MONTH 2019 DANCE SCAVENGER HUNT

Go in search of dance! 8 different dance companies are performing along the Scavenger Hunt route that starts at the Chicago Riverwalk on the Lake Street Ramp at 4:30pm (located on Wacker Drive between Lake St and Franklin St). To discover more dance, proceed east towards Lake Michigan, along the Chicago Riverwalk, and weave through a variety of site-specific performances along the way. Explore all or any part of the walking tour! It is casual and self-guided, but there are See Chicago Dance volunteers stationed along the route.

Each company will dance for approximately 30 minutes at their location and they will repeat their dance during that time. Match the company name to the number location.

The scavenger hunt concludes at City Winery's Chicago Riverwalk location for a final performance. Scavenger Hunt rewards will be handed out at this location.

See Chicago Dance would like to give a special thank you to our Chicago Dance Month 2019
