11th Annual Chicago Dance Month Celebration!

See Chicago Dance is thrilled to celebrate the 11th annual Chicago Dance Month! This month-long celebration takes place during the month of June across the city of Chicago. With more than 60 events there is no shortage of steps, moves, or opportunities to celebrate dance!

For this year's celebration, See Chicago Dance is distributing a complete guide to all things dance. We're printing 10,000 copies that will canvas our great city, raising awareness about the necessity, accessibility, and transformative nature of dance. Within this guide, we have set aside a number of pages for advertising. This is your chance to get up close and personal with prospective new audiences, clients, and supporters. Ads are available to everyone regardless of SCD Membership status. With six ad options, there is something for every budget size.

Don't hesitate. Space is limited. Reserve your ad space today!

Reservations are requested by April 1st, 2023.

Artwork and payments are due by April 12th, 2023.
