tour marketing + promotion

direction tour marketing (direction) is very excited to be partnering with SEE CHICAGO DANCE in the monthly distribution of promotional materials to retail & lifestyle locations throughout the city.

We're a Chicago-based streetmarketing company that specializes in poster and flyer distribution throughout the Chicagoland area. We have 19 years of distribution experience and have a wide variety of services available that are completely scalable to best suit promotional (and budgetary) needs.

Aside from the monthly SEE CHICAGO DANCE partnership, direction offers a variety of additional distribution services available that are available as add-ons to increase visibility.

- Targeted Neighborhood & Suburb Distribution (Geographically Focused)
- Specialty Distributions (Demographically Focused)
- College Campus Distribution
- Hand-to-Hand Street Teams

To help streamline the streetmarketing process, we also have our own in-house print shop and offer poster/flyer printing, signage, and mailing services. Additional print services include:

- Poster/Flyer Printing
- Program Printing
- Banner/Signage Printing
- Business Card Printing

Want to avoid delivery charges and headaches getting in your distribution materials on time? We can take care of your SEE CHICAGO DANCE printing each month.
