Q: How soon can I start receiving donations through Unique Projects after my application is approved?

A: Once your application has been approved we will send you a contract to sign and return to us. We can accept funds on your behalf as soon as we receive your signed contract. New contracts are issued for the first day of every month.

Q: If Unique Projects receives a grant on my behalf, when can I receive the funds from Unique?

A: For grants that require reporting and are for \$5000 or less, Unique Projects will only regrant funds to artists after Unique has received documentation of grant-related expenses from the artist. For grants that require reporting and are for more than \$5000, we will work out a timeline with the artist for regranteeing funds. We must still receive documentation for all expenses related to the grant. This process helps us insure that funds are spent in accordance with the grant guidelines and maintains the reputation of Unique Projects as a fiscal sponsor that grant making organizations want to give grants through.

Crowdfunding Platforms and Unique Projects:

Q: Can I connect my Unique Projects account to my crowdfunding campaign (e.g. a Kickstarter or Indiegogo fundraising campaign)?

A: Yes, you can choose to receive funds from a crowdfunding platform to Unique Projects on your behalf to offer tax deductions to your donors. Note, we will only issue thank you letters for individual donations of \$50 or more received via crowdfunding campaigns.

Q: *Should* I connect my crowdfunding campaign to my Unique Projects account?

A: We encourage each artist to consider a variety of factors when deciding whether or not to connect a crowdfunding campaign to their Unique Projects account:

- Consider if offering the incentive of tax-deductions will increase the amount of funds you raise by enough to cover the fiscal sponsorship fee you will pay to Unique Projects for processing the funds.
- Consider if you expect to receive mostly donations of more than \$50—the threshold for receiving tax receipt letters. If you expect mostly \$10-49 donations then few of your artists will be eligible to receive tax receipt letters.
- Keep in mind that you will receive a 1099-MISC for all funds regranted from Unique Projects in a given calendar year. If you do not connect your crowdfunding campaign to your Unique Projects account, you may or may not receive a 1099-K or 1099-MISC from the crowdfunding platform entity.
